SPECIALIZATIONS & WORKING METHODS

Language Pairs	Rohingya↔English, Burmese↔English, Rohingya↔Burmese
Interpretation	Consecutive, remote/OPI, community, medical, legal, humanitarian field
Subject Areas	Medical & clinical, legal & asylum, humanitarian protection, education, community outreach
Settings	In-person field, remote video/phone, clinic, legal interview, resettlement screening
Ethics	UNHCR interpreter code of conduct, HIPAA-aligned confidentiality, professional neutrality

“I grew up speaking Rohingya — it is my first language. In the rooms I have worked in, the interpreter is not just a tool — they are a bridge between people. I take that seriously, and I bring the same care and professionalism to every session, whether it is a five-minute phone call or a three-hour field interview.”
