SPECIALIZATIONS & WORKING METHODS

Language pairs	Rohingya–English, Burmese–English, Rohingya–Burmese
Interpretation	Consecutive, remote / OPI, community, medical, legal, humanitarian field
Subject areas	Medical & clinical, legal & asylum, humanitarian protection, education, community outreach
Settings	In-person field, remote video / phone, clinic, legal interview, resettlement screening
Ethics	UNHCR interpreter code of conduct, HIPAA-aligned confidentiality, professional neutrality

“I grew up speaking Rohingya; it is my first language. In the rooms I have worked in, the interpreter is not just a tool, they are a bridge between people. I take that seriously, and I bring the same care and professionalism to every session, whether it is a five-minute phone call or a three-hour field interview.”
